Low

275 Lumens

- 2 Hours run-time
- Momentary or constant-on, plus 3 lighting modes
- Aircraft-grade 6061-T6 aluminum housing
- Powered by 3 - AAA batteries (included)

The NSP-420 Adjustable Beam Multi-Function Flashlight uses an LED rated at 275 lumens that works in conjunction with a TIR lens to create a usable beam distance of 133 meters. This compact flashlight features both momentary, or constant-on functionality, user-selectable high, medium or low-brightness settings and a rotating bezel ring that allows the user to adjust the focus of the beam. The housing and tail-cap are made from aircraft-grade 6061-T6 aluminum and have a Type III hard anodized finish. Power comes from 3 AAA batteries (included).
